*“We are pleased to provide Alta season pass holders with the Wasatch Benefit, which is opportunity to ski two days at Snowbird, Deer Valley and Solitude,” said **Alta Ski Area’s General Manager, Mike Maughan**. “The Wasatch Benefit facilitates skiing experiences at some of the best resorts in Utah.”*

*“The most important thing for us is to thank our loyal guests who continue to come back year after year,” said **Deer Valley Resort President and General Manager Bob Wheaton**. “We are pleased to be able to offer this benefit for the fifth year to our Deer Valley season pass holders. It’s a great way to show our gratitude and continue this partnership with three world-class Utah resorts.”*

*“We feel the addition of Solitude Mountain Resort will be a very nice improvement to the already very popular Wasatch Benefit,” said **Dave Fields, Vice President of Resort Operations at Snowbird**.*

*We are thrilled to have Big Cottonwood Canyon represented as part of the Wasatch Benefit this year with the addition of Solitude,” said **Kim Mayhew, Solitude Mountain Resort general manager**. “The accessibility between resorts in the Wasatch is like no other and we are looking forward to offering our season pass holders access to neighboring resorts during the 2017-2018 winter season.”*
